WHAT DO OUR PROFESSIONAL PARTICIPANTS SAY?

"It was well varied, for example the delivery, videos, group activities and discussion. I feel my knowledge of violent extremism has really improved. Thank you!"

"It showed me the importance of developing confidence to challenge respectfully. I really liked the way we learnt how recruitment can be the same for all extremist groups."

"Everything about the session was to a high standard. Our trainer encouraged learner input and explained content clearly. It's a good product for building trust."

"Coincidentally this came up in a meeting with a young man on one my recent cases. He has shaved his head and is putting up Hitler posters. I felt much more confident discussing this after the training"
