£3,750 (inc VAT)

Who & What: The project increases **knowledge of emerging trends and threats** from the Far Right, mixed/non-ideology and hateful extremism, including conspiracy related extremism. It **up-skills** practitioners to challenge extremist narratives and build the resilience of young people and/or communities, enhancing critical thinking skills and building knowledge using a train the trainer model with **4 detailed, pre-made, interactive workshops for participants to deliver to young people.**

How: **in-depth, practical and intensive training** to multiple organisations over a 1 day workshop to capacity build to deliver 4 sessions

Resources: Workshop slide decks, activities, presentation materials, train the trainer manual and 4 ready made youth/community sessions tailored for your own audience .

Delivery Options: Face to face and/or online interactive webinars (platform flexible)

Practical, helpful and gave me confidence: looking forward to delivering the sessions to our youth
