Our practice and delivery is underpinned by our commitment to ethical and on-going research in this space. Our partners are respected and with global reach. Take a look at all the places we've worked on the map above!

A CURRENT PROJECT...

The European Horizon 2020 DRIVE project explores the role of social exclusion in the context of radicalisation in Denmark, Norway, the Netherlands and the UK. Partners include Universities of Leiden, Cambridge, Aarhus, Oslo, Umeå, and Liverpool. CSO Fryshuset supports, alongside (of course!) us at ConnectFutures.
